SCUGOG REGISTER OF HERITAGE PROPERTIES

Find out what the Scugog Register of Heritage Properties is, and what being on the register means to property owners.

Recent changes to the Ontario Heritage Act now require all municipalities to compile a Register of properties having cultural heritage value or interest. The Township of Scugog has officially adopted the Township of Scugog Heritage Register and is looking to add properties to the register in an effort to:

- Promote a greater awareness of our cultural heritage;
- Provide easy access to information regarding properties of cultural heritage value;
- Foster civic identity and pride;
- Offer interim protection against unnecessary demolition.

Feel free to attend the next meeting of Heritage Scugog on Wednesday, February 18th at 7 p.m. to find out more about the Scugog Heritage Register and how it's different from designation under the Ontario Heritage Act. The meeting will be held at the Scugog Municipal Office, 181 Perry St., Port Perry.
